- International financial support
- Significant port activity, set to increase

RECOMMENDATIONS:

Little inflation

New and improve technology

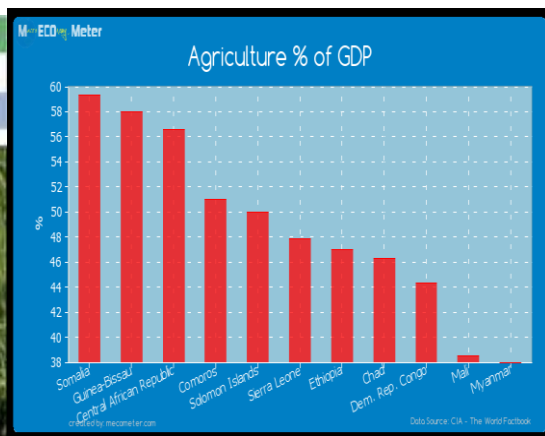

Better education

Better Agricultural Equipment's

Invest in stocks market

SIERRA LEONE:

EXECUTIVE SUMMARY

**Sierra Leone name means “lion mountains”
Sierra Leone is a peaceful country with lot of natural resources like diamond, gold and many more that many other country are lacking.**

They have a good trading relation with china, japan and Belgium-Luxembourg and many more countries. Sierra Leone population is expanding everyday. sierra Leone has a low income level. Sierra Leone is developing country but they are trying very hard in terms of helping the country to develop by inventing new innovation, stop corruption and better Medicare for the people. Sierra Leone has a high agriculture product and farming land but it has a low manufacturing factories. Sierra Leone has a high unemployment rate but compare to other countries sierra Leone is recovering really fast from the catastrophes of Ebola which was estimated to have killed about 1,660 people in Sierra Leone.

Sierra Leone is a country of love, unity and freedom.
